1. Please tell us who you are (generally in the format shown on your license or ID).

2. Go ahead and leave this blank-- We will take care of this one.

3. These boxes designate the kind of account you are opening. **Most of these will be marked as 'Individual'**, though you might also choose 'Joint' if you have another person on your account.

4. Please mark 'standard' for us to run a basic account package—we will process and prepare all options including our free checking, basic savings, debit card and overdraft protection packages. We can then fine-tune, add or adjust this during our initial follow up. You aren't obligated for every product, but this will help keep your options open.

If you want a custom account or have a very specific structure in mind, feel free to make a note of what you would like instead. Our account listings and descriptions are found at the bottom of this sheet.

5. Please tell us more about you. Information here is confidential and protected by the terms of our Privacy Policy available at ArapahoeCU.org. This information will allow us to serve you better while keeping us compliant with federal law.

6. This section is optional and will help us take care of your account if anything were to happen. *Please note: social security numbers here are not required, but they will make things much easier for your beneficiary.

7. This section does not require anything from you. It is, however, important information.

8. Please sign and date for authorization. This signature will establish your member/ ownership of ACU.

9. When complete, simply send or bring this back to us with copies of 2 IDs and a deposit of \$5 or more. We take it from there!
